# Welcome to Lac Vieux Desert Campground Chequamegon-Nicolet National Forest

## Description

Lac Vieux Desert has often been translated as Lake of the Desert. However, in Canadian-French it means an old clearing and refers to cultivation of land by native people on the islands of the lake. Lac Vieux Desert is the headwaters of the Wisconsin River and in earlier times was at the intersection of five trade routes. The campground, which is located on the west shore of the lake, is popular with anglers and recreationists alike.
